# Weatherization Assistance Program

The Weatherization Assistance Program (WAP) provides assistance to income eligible households by weatherizing their homes, conserving energy and reducing high utility costs in the process.

The process is easy.

Interested Dallas County residents must complete an application and submit necessary documentation to determine eligibility.

Applications can be picked up at:

### Dallas County Department of Health and Human Services

2377 North Stemmons Freeway  
Suite 336  
Dallas, TX 75207-2710

### Services offered

- Weather stripping
- Caulking
- Insulation
- Door and window repair/replacement
- Solar screen installation
- Heating/cooling unit repair/retrofitting
- Duct work

Priority given to qualifying elderly, persons with disabilities and families with children

Eligible applications will be considered for assessments. Each dwelling will be assessed and audited before any work begins.

Clients who need rehabilitation services will be referred to another agency that may be able to provide assistance.

Dallas County does not discriminate on the basis of race, sex, creed, color, age, ancestry, national origin, religion or handicap when assessing eligibility for services.

### Are you eligible to receive assistance?

Applicants will be required to submit information to

DCHHS to determine eligibility. Check to make sure that you can provide the following:

**Proof of all income** earned (or unearned) in the last 30 days for all household members 18 years and older.

**Social Security numbers** for all household members.

**An identification card or driver's license** for all household members.

### Do you need more information?

If you're interested in applying for WAP, please call:
